**The Closing Agent Title Insurance Names Vince Koehle  
Business Development Manager**

Orlando, FL (August 23, 2010)The Closing Agent, Inc. has announced the appointment of **Vince Koehle** to the position of **Business Development Manager** covering all of Central Florida. Vince possesses 20-years of comprehensive achievements across retail, real estate and hospitality organizations including Walt Disney Parks & Resorts. For more than fifteen years Vince was responsible for helping launch and grow the Disney Vacation Club playing a pivotal role in developing and implementing creative sales & marketing initiatives. Since leaving Disney in 2007, Vince held a business development role for Jones Apparel Group and served as a consult for various clients.

We are delighted to welcome Vince to the team as Business Development Manager commented President and Founder, Barry L. Miller; Vince brings a wealth of experience having developed innovative marketing & sales strategies through his expertise in business development and strategic planning capabilities. As an industry leader, The Closing Agent has been at the forefront of innovation being one of the first title companies to use electronic filing and utilizing paperless closings. Miller added, we are excited and look forward to Vince moving the company forward as the premier title and escrow agency in central Florida.

In the role of Business Development Manager, Vince is responsible for cultivating new and on-going relationships The Closing Agent has not only, with those in the greater Orlando Community, but throughout the country as the company has expanded to offer closing and title services in forty (40) states.
