**Local Attorney Lends Time And Knowledge**  
**To Central Florida Real Estate Agents**

Orlando, Fl, September 30th, 2009: The Closing Agent's President, Barry L. Miller Esq., has been serving Central Florida's real estate agents for the past 25 years. During that time, Mr. Miller has taken pride in offering services to his clients that have been unmatched by his competition. He has recently begun offering his time and knowledge through legal round table forums that is being offered monthly to local real estate offices. Keller Williams, Old Town Brokers, and Remax Town Center are just a few offices among others that have taken advantage of this new service. During the forums the real estate agents are informed as to new changes and updates in the real estate market that can be essential for their success. They also have the opportunity to ask Mr. Miller any pressing legal or real estate questions that they have about their current business. When we asked, Remax Town Center's President, Charlie Orden, about the round table forums being offered to his agents, he responded by saying "It is not too often that an attorney with the knowledge and experience of Mr. Miller would offer his time in such a generous manner.
